Executive Engineer, Madura Division.

Madura, 29th June 1920.

REVENUE NOTIFICATIONS.

In exercise of the powers delegated under sub-section (2) to section 17 of the Madras Survey and Boundaries Act IV of 1897, as amended by the Madras Decentralisation Act VIII of 1914, the Board of Revenue hereby directs the survey, under section 17 (1) (a) of the said Act of 189 , of all sub-divisions created in the villages of the Settur zamindari and in the inam village of Raghunathapuram in the Srivilliputtur taluk of the Ramnad district in the course of record of rights operations.

Board (Revenue Settlement), Madras,
3rd July 1920.

P. NARAYANA MENON,
Secretary.

No. 8.—In virtue of the powers delegated under clause XI of Government Notification No. 485, dated 13th July 1893, published on pages 1203 and 1204 of the *Fort St George Gazette*, dated 29th September 1893, Part I, and in supersession of Board's notification No. 13, dated 23rd June 1910, the Commissioner of Salt, Abkari and Separate Revenue hereby prescribes the following rules for the issue, etc., of licences under section 12 of the Madras Abkari Act I of 1886, for the tapping of toddy-producing trees and for the drawing of toddy therefrom, to have effect in the following local areas from the 1st day of October 1910:—

(1) The whole of the ordinary tracts of the Ganjam, Vizagapatam and Godavari districts and in the Agency tracts of the last two districts the villages specified in Schedule I annexed.

(2) The rest of the Presidency with the exception of the Nilgiri district and the Wynad taluk, Anjango, Tangasseri and the Attappadi valley of the Malabar district.

(3) The Banganapalle State.

2. Tree-tapping licences shall be issued on the application—

(*a*) of licensed toddy shopkeepers in areas in which the toddy shops are sold by auction or licensed separately;

(*b*) of persons having the exclusive privilege of manufacture and supply of coconut toddy arrack as foreign liquor;

(*c*) of tappers on their own application in the South Kanara district, provided that the application for licence is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken;

(*d*) of tree-owners generally, and of sweet-toddy tappers in the Godavari district, in the Narasapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the Kistna district and in the Repalle and Bapatla taluks of the Guntur district for not more than five trees in the case of tree-owners and three trees in the case of sweet-toddy tappers, for the drawing of toddy required for domestic consumption, but not for sale;

(*e*) of toddy shopkeepers or renters in the Mysore territory and in the Banganapalle State desiring to obtain toddy from trees growing in British territory;

(*f*) of toddy shopkeepers in the Pudukkottai State desiring to obtain toddy from trees in British territory provided that the application is certified or countersigned by the Salt and Abkari Inspector of the State; and

(*g*) of any member of a hill tribe whether a tree-owner or not, residing in any of the villages of the Vizagapatam district specified in Schedule II, for not more than five trees for each household for domestic consumption but not for sale.

In cases (*a*), (*b*), (*d*) and (*e*) the licenses may be issued in the name of the applicant himself or of his nominee, and in cases (*c*), (*f*) and (*g*) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licences must first pay the fees (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the District treasury, a Taluk treasury or a Salt treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor. Pudukkottai renters when applying for trees in British territory must pay the full tree-tax into a British treasury at the rates prevailing in British territory.

4. (1) Applications for the grant of tree-tapping licences must be made in the prescribed form to the Inspector, Salt, Abkari and Customs Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of Salt, Abkari and Customs Department, and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped; those put in by other persons must bear a court-fee stamp of one anna. In any case, if the fees have been paid into treasury, the application must contain a certificate of payment from the treasury officer, if payment has been made to a village head the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Amildar's treasury and should present before the British Tahsildar or Deputy Tahsildar concerned along with the application in form T.T. 6, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping licence in Mysore. The tree-tax should be calculated at the higher rate if the rates are not the same on the two sides of the frontier.

(2) Applications for tree-tapping licences in the South Kanara district should be countersigned by the owner of the trees intended to be marked, in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licences for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rest thereto or for other sufficient reason and the mere payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping licences for trees so reserved.

6. Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax, the rate being the same as in the Kurnool district. Similarly

those in the Bangenapalle State will be allowed to tap trees in the adjoining British territory. Toddy shopkeepers in British territory adjoining the Pudukkottai State will be allowed to tap trees in that State on payment of tree tax to that State at the higher of the rates prevailing on both sides of the frontier.

7. Persons applying for the issue of licences will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8. (1) On receipt of an application, the Inspector, unless he sees special cause to the contrary, will at once take steps for the marking of the trees by an officer superior in rank to a petty officer and for the issue of the licence. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the Godavari district, in the Narasapur, Bhimavaram, Tanuku, Ellore and Yernagudem talukas of the Kistna district, and in the Repalle and Bapatla talukas of the Guntur district, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

10. Toddy shall not be drawn from any toddy tree, nor shall any pot be attached to any toddy tree, until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Dadasal (*Areca Wightii*) trees in South Kanara, tree-tapping licences shall be annual, that is, in force from 1st October or any subsequent date to the 30th September immediately following, and for coconut and sago trees they shall be half-yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following, and from 1st April or any subsequent date to the 30th September immediately following, except in the case of the trees which have been illicitly tapped, on which the full tree-tax may be levied.

12. The following shall be the fees payable on account of each tree for the tapping of which licence is applied for:—

Districts.	Coconut palms (for each half-year as defined in rule 11 above).	Sago palms (for each half-year as defined in rule 11 above).	Palmyra or date palms (for the whole year as defined in rule 11 above).	Dadasal (*Areca Wightii*) palms (for the whole year as defined in rule 11 above).

14. Every instalment of tree-tax shall be paid on the first day of the month in which it falls due.

15. For the convenience of applicants, applications will be received from 1st September or 1st March; but no trees will be marked, nor licences issued, nor preparation of spathes permitted before the evening of the 30th September or 15th March; nor shall pots be attached to trees before the evening of the 30th September or 31st March, as the case may be. In the case of 'Kodai Palai' palmyra trees tapped at concession rates in the Tinnevelly subdivision, marking will be allowed from the 25th July. In the case of date trees the process of preparation will be allowed from the 15th September but the incision

required for the insertion of the drip leaves will not be allowed before the evening of the 30th September. In no case shall toddy be drawn except during the currency of the licence.

18. All toddy drawn under the tree-tapping licenses granted in accordance with these rules shall as soon as the pots containing it are removed from the trees, be immediately conveyed direct to a distillery or a licensed toddy shop under a general transport permit which will be granted gratis by the Inspector. In the South Kanara district when a licensee desires to change the shop to which his toddy is to be taken, the permit will be amended on application and on prepayment of two annas in addition to the court-fee stamp of the value of one anna to be affixed to the application. No toddy drawn under these rules shall be sold otherwise than to a licensed distiller or shopkeeper except at a regularly licensed shop. Tree-foot sales or sales in the open are absolutely prohibited.

17. Between sunset and sunrise no toddy shall be drawn or kept by a person holding a licence under these rules in the garden or field in which stand the trees which he is licensed to tap, except the toddy contained in the pots attached to the spathes of the trees, provided that the Commissioner of Salt, Abkari and Separate Revenue may, on sufficient cause being shown, relax the restriction in any local area.

* In the Madras Town Circle pumyes and date toddy may be drawn as early as 4 a.m.

Resolved that the Chairman's recommendations be approved.

101. Read notes by the Chairman, submitting for approval, as appears necessary under G.O. No. 502, Revenue (Special) (Marine), dated the 16th December 1919, the following two piece-work agreements :—

(1) Piece-work agreement to be taken from M.R.Ry. P. Suriyanarayana Rao for sand and stone work.

(2) Piece-work agreement to be taken from Mr. Abdullah Khan for the erection of a portion of the wall-cusson for the permanent head of the North Arm.

Resolved that the two piece work agreements be approved under section 89 of the Madras Port Trust Act.

102. Read again Resolution No. 181, dated 2nd October 1914, and G.O. thereon No. 344, Marine, dated the 2nd October 1914, sanctioning a reduced rate of transit dues on goods intended for transhipment but delayed owing to war conditions.

Read a note by the Chairman, dated the 18th June 1920, on the same subject.

Resolved that no alteration of the rate sanctioned in the Government Order read above is at present necessary as the transhipment situation is not yet normal.

103. Read application from Messrs. Dharsee Nanjee & Co. applying for refund of penalty transit dues, amounting to Rs. 300, which they incurred on 220 bags of rice on S. S. "Sutlej". Read also a note by the Chairman recommending, for reasons given, that, as a special case, ordinary transit dues alone be levied on the bags in question for the period, after the expiry of the free days, during which they remained in the Trust's premises and that the difference between penalty and ordinary transit dues, amounting to Rs. 296-5-0, be remitted.

Resolved that, subject to sanction of Government which is necessary under section 44 (2) of the Madras Port Trust Act, the Chairman's recommendation be approved.

104. Recorded a note by the Trust's Chief Engineer, dated the 4th June 1920, giving particulars of certain contracts made by the Board's purchasing agents in England of which information has been received since March 1920.

105. The following statement comparing dues collected in and up to the end of May 1920 with those for the corresponding period of the previous two years as well as of the year 1913 was ordered to be recorded :—

The cistern of the barometer is twenty-two feet above the level of the sea, and the receiver of the rain-gauge is two feet from the ground. The wind, rain and general weather registered are for the current civil day—from midnight to midnight.

The total quantity of rain collected since 1st January is 7·65 inches, the average due for the same period being 7·65 inches.

THE FORT ST. GEORGE GAZETTE.

No. 28.] MADRAS, TUESDAY EVENING, JULY 13, 1920. [PRICE, 1 anna.

SALT, ABKARI AND CUSTOMS DEPARTMENT

NOTIFICATION.

No. 7, *dated* 13*th July* 1920.

NOTICE OF SALE OF ABKARI PRIVILEGES.

Notice is hereby given that the privilege of sale of toddy in independent shops in the tree-tax areas of the Presidency including the Bangaanapalle State and the toddy farms of 122 villages of the Parlakimedi Maliahs of the Ganjam district will be put up to auction subject to the conditions hereinafter set forth. The period for which the privileges will be sold will be twelve months commencing 1st October 1920 and ending 30th September 1921. The number of shops and farms, the local limits appointed for them and the dates on which, the places at which and the officers by whom the auction sales will be conducted will be notified by Collectors in their District Gazettes. The Collector of Ganjam will notify separately the special conditions applicable to the toddy farms in his district. A separate notification will be issued regarding operations under the tree-tax system.

Conditions of Auction Sale.

I. A deposit must be made by each bidder before bidding and will be received by the selling officer on the day of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 60 or less and to Rs. 5 in the case of bidders for single small shops. In the Karnool district, the selling officer may, where he finds it necessary, require a deposit of Rs. 10 from bidders for toddy shops. In the South Kanara district, the selling officer may, at his discretion, reduce the deposit to Rs. 2 for shops whose average monthly rental does not exceed Rs. 2. In the case of farms Rs. 100 will be the ordinary deposit. This will be reduced to Rs. 50 in the case of bidders for farms of an aggregate monthly rental of not more than Rs. 100 and to Rs. 10 in the case of bidders for single small farms.

II. The shops or farms will be put up to auction in the order in which they are entitled, unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the Collectors. The reserve price placed by Government on the shops or farms will not be published, but the average of the previous five years' rentals will be notified by the Collectors, wherever possible, for the information of bidders.

III. No person will be allowed to bid for another unless he holds a power of attorney from him.

IV. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of license or of a contract under the Abkari or Opium Act as to render him undesirable as a holder of a license; or (2) that he is insolvent or in arrears to Government; (3) that his bid is purely speculative; (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is supplied by the shop, or of a neighbouring village; (5) that he is a contract supplier of country spirits for the contract area within which the shop is situated; (6) that he is a brewer bidding for beer shops; (7) that such a course is necessary to prevent arrangements to the detriment of Government interests; or (8) for any other valid reason.

V. The shops will be knocked down to the highest bidder. If for any of the reasons mentioned in the preceding clause the highest bid is rejected, the next highest shall be taken or the shop resold at the selling officer's discretion. In case of dispute the selling officer's decision shall be final. The sale will be subject to formal confirmation of the Collector, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid, unless revised by the Board of Revenue for special reasons, and will be necessary whether the sale be held by the Collector himself or by any officer appointed by him.

VI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under clause I) for each shop or farm unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under clause I will be forfeited and the shop or farm will be put up again immediately by the selling officer on the above conditions or otherwise disposed of by the Collector and the defaulter will be debarred from bidding again for the same or for any other shop or farm in the sales then in progress.

VII. Any person to whom a shop or farm has been knocked down and who has made deposits as provided in clauses I and VI shall also deposit, in cash or approved security, within ten days from the date of communication of the Collector's acceptance of the bid, such further sum as with the former deposits will make up two months' rent and shall without unnecessary delay take out a license on the conditions hereinafter set forth. In the event of the purchaser's death after issue of the license, his heirs and assigns shall be responsible for all moneys that may become due to the Government under the terms of the licence as well as for the proper observance of all the conditions of the license. Should the initial deposit exceed two months' rental, the excess will be refunded unless the purchaser is requested to deposit twice that sum under clause VIII infra.

VIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency, he may be required either to deposit two months' rental in addition to the sum prescribed in clause VII supra, or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (article 57, Schedule I, Act II of 1899) and registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000. In all cases where sureties are demanded the licensee shall be bound to execute a counterpart agreement.

IX. On the failure of any person to make a deposit or take out a license under clause VII or to comply with any requisition or to execute any engagement under clause VIII supra, the deposits already made may be forfeited and the shop or farm may be resold under the orders of the Divisional Officer on a date to be notified by the Collector or may be otherwise disposed of by the latter officer. Resales under this clause will be at the risk of the defaulting bidder, who will forfeit all gain, and in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the shop or farm is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

X. The purchaser of any abkari or opium privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal licence may not have been issued to him.

XI. The deposits referred to in clause VII or VIII may be made either in cash or in recognized Government, Port Trust, Municipal or Local Board securities or by depositing Postal Savings Bank pass-books. When deposits are made otherwise than in cash, the Collector may demand that they shall be of such higher face value than the cash deposit required, as in the circumstances of the market he may think necessary. The securities or Savings Bank pass-books deposited must be endorsed in the name of the Collector and Government promissory notes must be enfaced for payment of interest at the treasuries at which they are deposited, if so required. Deposits in cash will be adjusted towards the instalments of kists due in the last months of the period of the lease. Deposits of securities or savings bank pass-books will be returned upon payment of the full amount of the kists due in cash unless the depositors wish that Government should take them over, in which case they will be taken over at the price of the day, and the balance, if any, due to Government must be paid in cash. In cases of default under clause IX of the conditions of auction sale or under condition 37 of the General Conditions applicable to all Abkari and Opium licenses, all securities deposited are liable to be sold for any amount due to Government under the terms of the lease, the remainder, if any, due after such sale, being recovered as arrears.

General Conditions applicable to all Abkari and Opium Licences.

1. Shops and depots must be opened by the dates fixed by the Collectors and must be kept open every day unless their temporary or permanent closure is authorized under condition 10, 11 or 41 infra.

2. Except where definite sites in the possession or under the control of Government have been prescribed, purchasers of shops must make their own arrangements for securing proper sites for their shops. They are at liberty to choose any site within the local limits notified by the Collector, provided the site selected is approved of by the Revenue and Police authorities. The limits of the site selected and approved will be entered in the license. The possession (except subject to the rules applicable to unlicensed persons) or sale of liquor, opium or intoxicating drugs outside these limits is prohibited.

3. Sales under any abkari or opium license must be conducted in one approved building of which the whole or the whole of a separable part must be entirely set aside for use as a depot or shop. In the case of arrack shops and taverns in municipalities, or towns having a population of 20,000 or over, there shall be no possible means of ingress or egress in any direction except into the main street; if there are other doors they shall be kept locked under the seal of an officer of the Sale, Abkari and Customs department; the interior of the shop shall be sufficiently lighted by day and the whole interior visible from the front door; the shop shall not be used as a place of residence save by the vendor and his family or caretaker. If there are means of communication between the depot or shop and an adjoining dwelling house, they must be kept locked at night.

4. Except when two or more foreign liquor licences are held by one person or in the case of licences held by chemists and druggists and medical practitioners, sales under different licences must be conducted in different premises.

5. Private bars in liquor shops may be allowed by the Collector under a special licence to be granted by him free of fee; provided that the interior of the bar is wholly visible from the doorway

and that the entrance to it is either through the main door of the shop or through a separate door provided with a proper sign to show the nature of the bar.

6. A signboard must be affixed to the front of each depot or shop showing the nature and number of the licence under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor) the current rate of sale. These particulars must be legibly painted in the local vernacular and in the case of taverns and wholesale depots in English also. The licence must be hung up in a conspicuous place within the depot or shop.

7. The possession upon any licensed premises of any liquor, opium or intoxicating drugs except that to which the licence relates or of any essence or substance used or capable of being used for colouring or flavouring liquor except in accordance with the terms of a compounding licence is prohibited.

8. Such supply of liquor, opium or intoxicating drugs as the Collector may consider sufficient to meet local requirements must be maintained in depots and shops.

9. No arrack shop, foreign liquor tavern or beer shop and none of the toddy shops opened for the supply of toddy to the Salem town shall be opened before 9-30 a.m. No other shop or depot shall be opened before sunrise.

10. (a) No depot or shop shall be kept open after 8 p.m. except under special authority. Collectors may at their discretion order the closure of any depot at sunset and may on the report of the Police or for other sufficient reasons order the closure of any shop at an earlier hour if they consider such a course to be advisable in the interests of the public. The Board may for sufficient reasons order the general closure of any kind or kinds or all kinds of licensed premises at any earlier hour than 8 p.m.

(b) Collectors are authorized to notify at the time of the auction sales that specified shops will be closed on the occasion of specified festivals and that the hours of sale at specified shops which are situated within a mile of a market or shandy will be limited on market days generally or that they will be liable to limitation on such occasions by orders issued during the currency of the lease, if it is found that the shops promote drunkenness. Discretion is also allowed to Collectors to order the closure of specified shops in the neighbourhood of factories, mills and other places where large numbers of operatives assemble on week days from 11-30 a.m. to 1-30 p.m., on the after-noons of pay days and at all hours on Sundays except between 11-30 a.m. and 4 p.m. The Collector of Salem is authorized to order the closure at 12 noon on Tuesdays, of toddy shops within five miles of the Salem Municipality, the names of such shops being specified at the time of the auction. A special condition embodying these restrictions or liabilities will be inserted by the Collector in the licenses granted to the renters of all such shops.

11. Depots and shops situated on or adjacent to line of march must be closed, if the Collector so orders, while a regiment or detachment of soldiers is passing or is encamped in the vicinity. Collectors or Divisional Officers shall have power also temporarily to close any shops in times of religious excitement or disturbance. Every depot and shopkeeper shall on his motion close his depot or shop when there is a riot or disturbance in the neighbourhood.

12. All liquor, opium and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to liquor, opium or intoxicating drugs either to increase their intoxicating power or for any other purpose. This prohibition, however, does not apply to the compounding or blending of liquor or to the manufacture of intoxicating drugs from hemp drugs and opium in accordance with the terms of a licence. Liquor shall not be bottled except under a bottling licence. Nor shall different kinds of liquors be mixed and sold under the designation of one of them.

13. No woman shall be employed in any abkari or opium shop for the sale of liquor, opium or intoxicating drugs without the special permission of the Collector unless she be a member of the renter's family.

14. The sale or transport of liquor, opium or intoxicating drugs by persons below the age of 18 or by persons suffering from leprosy or any contagious disease and the employment in any capacity of such persons in shops or depots licensed for the sale of the same are prohibited. No persons who have been convicted under the Indian Penal Code shall be employed in the transport or sale of liquor, opium or intoxicating drugs without the Collector's previous permission. The Divisional Officer may, where necessary, call for the names of all persons employed or proposed to be employed in any depot or shop and forbid the sale of liquor, opium or intoxicating drugs by any person of whom he may disapprove.

15. No liquor, opium or intoxicating drug shall be sold or given—

(a) Except at shops specially approved by the General Officer Commanding the Division (or Independent Brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the licence—

(1) to sailors of the Royal Navy, soldiers and members of their families; or

(2) to any other person living in barracks;

(b) (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, i.e., any class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments;

(2) to Policemen, Excise officers and Railway servants when on duty; or,

(c) in any circumstances to any—

(1) European vagrant under escort of the Police;

(2) child or young person under eighteen years of age;

(3) insane person; or

(4) person known or believed to be intoxicated.

NOTE.—The restrictions in (c) and (d) do not apply to soldiers, their families and followers when they are absent on leave from their regiments.

16. No liquor, opium or intoxicating drug shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shopkeepers or firms of standing and respectability dealing in foreign liquor for consumption off the premises.

17. No liquor, opium or intoxicating drug shall be sold either below or above such maximum * or maximum † prices as may be fixed for sale of the same in accordance with the law for the time being in force.

* For liquor shops—vide Board's Notification No. 8, dated 21st January 1919, and Notification No. 6, dated 13th July 1920.

† For opium shops in the Agency tracts of the Ganjam, Vizagapatam and Godavari districts a uniform rate of 2 annas a tola has been fixed.

18. No liquor, opium or intoxicating drug in excess of the quantities prescribed for possession without a licence as specified below shall be issued to any person at any one time from any licensed premises without a valid permit, nor shall liquor be sold at wholesale depots in quantities less than the minima prescribed :—

"(*i*) prescribe the manner in which arbitrators are to be appointed and regulate the procedure to be followed by them.

"(3) All such rules shall be published in the *Fort St. George Gazette* and shall thereupon have the force of law."

STATEMENT OF OBJECTS AND REASONS.

The intention of the Select Committee which sat on the Bill of 1897, which now constitutes the present Act, was to make the decision of a survey officer as to boundary conclusive unless it was challenged in a civil court—vide paragraph 15 of the Select Committee's Report. The judgment of the High Court in Second Appeal No. 32 of 1915 shows that the Bill as drafted did not carry out this intention. The main object of the present amendment is to restore to the law the meaning which the sections were originally intended to convey.

2. The opportunity has been taken to bring the Act into accord with modern arrangements in some other respects. The majority of the general surveys have been completed and the Act is now largely required in connexion with survey of estates or other similar areas, resurveys, maintenance and the like. For this purpose, the sections have been framed in more general terms so as to cover any such survey. At the same time, the special provision relating to settlement of boundary disputes by Collectors has been merged in the general provisions.

3. Power has also been reserved to the Local Government to direct the survey or resurvey of any estate or portion of an estate without an application from the proprietor whenever such survey or resurvey is found necessary for the better or more convenient assessment or levy of irrigation cess, and to recover a portion of the cost thereof from the proprietors. Such survey would be beneficial alike to the Government and the proprietor and it is reasonable that a portion of the cost should be borne by the proprietor. The principle to be followed in the apportionment of the cost will be regulated by the rules framed under the Act.

4. In the same connexion, opportunity has been taken to alter the arrangement regarding the calculation of distribution of charges for surveys. The arrangements defined in the Act, under which any particular landholder may supply labour and stones, are not really workable, and therefore it is proposed in future that Government should pay the initial cost of all surveys and recover it. This will not prevent any individual landholder supplying his own stones or labour by arrangement with the survey officer.

5. The other amendments are merely verbal amendments required in order to bring the Act up to date.

15. *Section* 16 (*new section* 15).—We have recast this section and defined the cases in which and the parties between whom the survey officer's order shall be conclusive unless the same be set aside by decree in a regular suit. We have extended the period of limitation for such suit from six months to one year. The period of six months prescribed in section 25 of Act XXVIII of 1860 may for good cause shown be extended for another six months. We think it better, however, that the period of limitation should be definite, and not open to reconsideration, and we have accordingly fixed it at the maximum allowed under the old law, which is also in conformity with the period prescribed by the Indian law of limitation for similar suits.

IN THE HIGH COURT OF JUDICATURE AT MADRAS.

THURSDAY, THE THIRTEENTH DAY OF APRIL, ONE THOUSAND NINE HUNDRED AND SIXTEEN.

Present:

The Hon'ble Mr. Justice ABDUR RAHIM and
The Hon'ble Mr. Justice AYLING.

Second Appeal No 92 of 1915.

The Municipal Council of Kumbakonam, Tanjore district ... *Appellant—Defendant.*

(1) R. Rajam Ayyar, (2) R. Subrahmanya Ayyar, (3) R. Sundaresa Ayyar, (4) R. Krishnamurti, (4) being a minor represented by first respondent, (5) Vasu (minor) represented by his mother Mangalambal Ammal ... ... *Respondents—Plaintiffs*

Second appeal against the decree of the Court of the Subordinate Judge of Mayavaram in Appeal Suit No. 13 of 1914, preferred against the decree of the Court of the District Munsif of Kumbakonam, in Original Suit No. 390 of 1912.

2 This second appeal coming on for hearing the Court delivered the following judgment The language of section 13 of Act IV of 1897 is perfectly clear to show that the case contemplated there is one in which there has been a dispute raised before the survey officer and he has decided the matter. The Lower Court is therefore perfectly right on that point.

3. The learned pleader for the appellant has also argued that section 168 of the District Municipalities Act entitles the municipality to take possession of the land in question which has been found to belong to the respondents. Section 168, however, deals only with cases of encroachment, obstruction or projection In no sense can it be said that the land in question comes within any of these category. The appeal is dismissed with costs.

S. G. HENSMAN,
Acting Deputy Registrar, Appellate Side

No. 10 OF 1920.

A Draft Bill to amend the Madras Salt Act, 1889.

WHEREAS it is expedient to amend the Madras Salt Act, 1889, it is hereby enacted as follows :—

1. This Act shall be called the Madras Salt Act Amendment Act, 192 .

2. The following shall be added as clause (ii) of section 43 of the said Act, the existing section 43 being numbered as clause (i) :—

"A licensee shall be liable to pay all sums remaining due to Government under any of the heads mentioned in clause (i) B above after all the salt belonging to the licensee has been sold, and the same may be recovered from such licensee in any of the ways prescribed in section 84."

STATEMENT OF OBJECTS AND REASONS.

Section 43-B of the Madras Salt Act, 1889, provides for the levy of certain charges by means of a cess on every measure of salt sold by or on account of a licensee under section 10 (ii) of the Act before it is removed from the factory. If any of the charges remain uncollected after all the salt had been sold, as for instance, when a salt factory is closed before the charges are fully collected, it was hitherto understood that the amounts could be recovered summarily under section 84; but in a recent case the High Court of Madras has held that such recovery is illegal as section 43-B imposes no personal liability on the licensee. It is proposed to amend the Act so as to provide for a summary remedy in such cases.
